by local applications, as they cannot reach the diseased portion of the ear. There is only one wayto cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the inucous lining of the Eustachian Tube. When this tube is inflamed you have a rembling sound or imperfect hearing, and when it is cutirely closes! Deafness is the result, and unless the inflammation can be taken out and this tube resured to its hormal condition, learing will be destroyed foreser, nine cases out of ten are caused by Catarth, which is nothing but an inflamed condition of the mucous surfaces.

We will give one Hundred Dollars for any case of Deafness (caused by catarth) that cannot be cared by Hall's Catarth Cure. Send for circulars, free.
